

3 Life Membership

From this date forward the former Life membership has been reclassified.

Life members are now recognized on the Society Life Members Honour List.

Life Membership does not confer voting or flying privileges and is no longer available to purchase.

Rationale:

When the Society was in the early stages of development over a decade ago this category of membership was made available in an attempt to raise funds for development costs. Now that the flying field is substantially completed and no new Life memberships have been purchased, it is felt that Life members should be recognized and that all members should share in the day to day operating expenses of the Society
